

AWA-AGGA Tasmania Chapter

Information Session 2019

AWA-AGGA LIMITED

Please join us at our Tasmanian Information Session. It is an exciting time and the merged team is focused on delivering representation, communication, accreditation, sustainability, leadership, training and other member benefits as we move into the year ahead.

By attending this session, you will have the opportunity to meet our new CEO, learn about the AWA-AGGA Merger update, and hear about what this means to you and your business.

The information session is also designed to provide you with an outstanding educational experience, where you will have the opportunity to hear about the latest industry developments affecting your business. We welcome your feedback and there will be ample opportunity to ask questions throughout this session. As for networking, we encourage you to join us for drinks and canapes afterwards where you will have a chance to meet new members and catch up on some familiar faces.

AWA-AGGA Limited combines all the strengths of the previous Australian Window Association Incorporated (AWA), Australian Glass and Glazing Association Incorporated (AGGA) and its state associations into a new, larger and more capable industry body focused on delivering exceptional value to members in the glass, glazing and window industries.
